Notification about your entry into the Master Photography Awards

Hi, I'm delighted to let you know that after three day's of intense judging you have been awarded a Merit in the 2012 Diamond Jubilee Awards for the image below

Reference No: 515_2012_1343740666_55

As a Merit winner, your image will be displayed with the other Merits at the Awards Dinner and Presentations, taking place on Sunday 14th October at the Hilton Hotel, Newcastle. It will also be displayed on the Awards website.

I'd like to invite you and your guests to attend the event, where all the Merit winners will learn if they have achieved Awards of Excellence, become category winners or indeed won the UK or Rest of the World Portfolio title or International Master Photographer of the Year.

If you've not attended before I can tell you that it's a fantastic night, full of glitz and glamour that you'd expect from such a prestigious event!

Do not miss the celebration that brings photographers and the industry closer together for the benefit of the profession.

Full details and online booking is available at www.masterphotographyawards.co.uk

Congratulations once again, and I hope to see you at Newcastle.

Colin R Buck

Chief Executive
