Judging

2013 finalists

Travel Photographer of the Year receives entries from about 90 countries each year with many, many thousands of images submitted. It is therefore a big achievement to be shortlisted for the final round of judging.

This final judging will take place at the beginning of December.

The following photographers are shortlisted in the 2013 awards. Photographers from 37 countries have reached the final phase of judging.

Final Judging of TPOTY 2012
